

## **PRE-AUTHORIZED DEBIT AND TAX PAYMENT PLANS NEW PROGRAM TO START JANUARY 2018**

The Municipality of Oliver Paipoonge is pleased to announce that it will be offering a pre-authorized debit plan to its taxpayers as another option to pay property taxes.

A pre-authorized debit (PAD) plan authorizes the Municipality to automatically withdraw funds from a bank account designated by the taxpayer for payment of taxes.

Three types of plans will be offered:

1. Tax installment withdrawn on the due date (4 times per year).
2. Twelve monthly payments (equal payments of annual taxes).
3. Arrears monthly payment plan (for accounts with arrears taxes to clear up).

Enrollment in PAD provides the following benefits:

- No missed due dates
- Easier budgeting
- Savings on postage
- No waiting in line

There is some administrative work to be done first before we begin enrolling taxpayers into the program. Watch for more information in the coming months.

For additional information on PAD, please contact the Treasurer at 807-935-2613 x 229 or [karen.caren@oliverpaiponge.on.ca](mailto:karen.caren@oliverpaiponge.on.ca).
