

## NOTICE

### **Building Contractors who do Work on Behalf of Residents within the Municipality**

If you are a building contractor doing work on behalf of residents within the Municipality of Oliver Paipoonge, you are able to deposit the construction or demolition waste at the Oliver Paipoonge Landfill Site if:

1. The resident or property owner for whom you are doing work on behalf of has completed a *Contractor Authorization Form for Use of Landfill Site*, available at the Municipal Office or for download on the municipal website. This form authorizes the contractor to use the landfill site on the owner's behalf.
2. The owner gives the form to the contractor who completes the bottom of the form with the Business Name and address.
3. The contractor presents the *Contractor Authorization Form for Use of Landfill Site* to the landfill site attendant.

There is a \$75.00 fee that will be invoiced to the contractor to deposit the load at the landfill site.
