Dear Sir/Madam:

Sponsorship Opportunity

The **Northwestern Ontario Water & Wastewater Conference** organizing committee is introducing a **Corporate Sponsored Networking Dinner**.

This would be a great opportunity for your business to network and socialize with delegates away from the conference, in a more relaxed casual atmosphere. Get your name and logo out there, for not only the conference delegates, but also for the community to see.

Also, new to the conference this year is the introduction of a **Delegate Passport**. This **Delegate Passport** provides the opportunity for conference suppliers to meet, greet, chat and stamp the passport of every delegate at the conference. Delegates that have received stamps from suppliers at the conference would become eligible for the grand prize draw.

Sponsorship donations will be applied to the cost of hosting the dinner, as well as to the grand prize for the Passport draw. Any donation is welcome to help offset costs for these events.

Your donation will fall into one of four categories listed below, each with its own additional benefits:

- **Platinum – over \$750**
